DETAILED ACTION

Oath/Declaration

The oath/declaration filed on 5/19/2004 is acceptable.

Specification

The specification has been checked to the extent necessary to determine the presence of all possible minor errors. However, the applicant's cooperation is requested in correcting any errors of which applicant may become aware in the specification.

Reason for allowance

Claims 1-20 are allowed. The following is an examiner's statement of reason for allowance:

Set of claims 1-9: none of the references of record teaches or suggests the claimed Method of fabricating of flash memory having the step of removing a portion of each device isolation structure to form a plurality of second trenches such that top section of each retained device isolation structure lies between the tunneling dielectric layer and the patterned mask layer and among other steps/limitations as claimed in independent claim 1.

Set of Claims 10-20 are allowed: none of the references of record teaches or suggests the claimed Method of fabricating a floating gate (in addition to other steps as claimed in independent claim 14), comprising: removing a portion of each device isolation structure to form a plurality of trenches, wherein the top section of each retained device isolation structure is disposed between the tunneling dielectric layer and the patterned mask layer.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
